

Unlock the full potential of portable high-speed storage - Satechi's Mini NVMe SSD Enclosure is the ultimate solution for turning your devices into high-speed portable drives. With lightning-fast data transfer speeds up to 10Gbps, versatile compatibility, and robust protection, this sleek and compact enclosure is perfect for professionals, creatives, and anyone on the go.

- Blazing-fast 10Gbps transfer speeds
- Compact and portable design with Gen 2 USB-C technology
- Wide compatibility with NVMe SSDs, optimized for 2230mm NVMe
- Tool-free installation
- Premium aluminum construction with self-cooling

Incredible Speed up to 10Gbps

Experience lightning-fast data transfer rates of up to 10Gbps with the Satechi Mini NVMe SSD Enclosure. Transfer large files, edit video projects, or back up important data in record time. You can move 3,000 high-res images in under a minute, ensuring your work is always efficient and seamless. Enclosure harnesses Gen 2 USB-C technology to transfer files significantly faster than traditional SATA SSDs.

Portability Redefined

Take your data wherever you go with the pocket-sized Satechi Mini NVMe SSD Enclosure. Its slim profile and lightweight construction make it the perfect companion for professionals and creatives who need quick access to their files on the move. Plus, it enables Apple ProRes Log on iPhone 15/16 Pro, enhancing your shooting and post-editing capabilities.

Unmatched Compatibility

The Satechi Mini NVMe SSD Enclosure supports a wide range of NVMe SSDs, including M.2 PCIe NVMe 2230, 2242, 2260, and 2280 form factors. This versatility ensures that you can use your preferred SSD brand and capacity to create the perfect portable storage solution for your needs.

Effortless Installation

Say goodbye to complicated setups. The Satechi Mini NVMe SSD Enclosure features a tool-free design that allows you to easily install and swap out your NVMe SSDs in seconds. Simply slide open the enclosure, insert your SSD, and you're ready to go.

Premium Build with Self-Cooling

Protect your valuable data with the Satechi Mini NVMe SSD Enclosure's robust aluminum construction. The durable metal casing not only looks sleek but also provides excellent heat dissipation to keep your SSD cool, featuring a quiet fan and built-in air vents for extra ventilation and maximum efficiency.

Package includes:

- 1 x Satechi Mini NVMe SSD Enclosure - Space Grey
- 1 x USB-C to USB-C Lanyard cable
- 1 x User manual

Product specifications:

- Connector type: Type-C, USB-C 3.2 Gen 2, Thunderbolt 3/4, USB4 Compatible
- Length: 45 mm
- Width: 30 mm
- Height: 13 mm
- Weight: 35 g
- Interface: USB 3.2 Gen 2 (up to 10Gbps)
- Supported SSDs: M.2 PCIe NVMe 2230, 2242, 2260, 2280
- Material: Aluminum
- Compatibility: USB-C equipped - Mac, iPad, iPhone, Steam Deck, PS5, Android devices, Nintendo Switch, DSLR cameras with USB-C ports, Google Chromebook **
- Colour: Space Grey

****System Requirements:** Thunderbolt 4, Thunderbolt 3, USB4, or USB 3.2 Gen2 with DP Alt Mode Type-C ports required for optimal use

SPECIFICATIONS

Carton: 50/100
 Item ID: ST-E2230M
