Magnets for easy attachment
Stay neat and secure wherever you work. The Satechi OntheGo™ 7-in-1 Multiport Adapter features a built-in magnetic mount and an included 3M adhesive ring, so you can attach it to MagSafe-compatible iPhones, laptops, or any flat surface. Your hub stays in place, your cables stay tidy, and your setup stays ready, whether you are at your desk or on the move.

Pocket-sized portability
Designed for travel without compromise, this compact hub measures just 6.5 x 6.5 x 2.65 cm and weighs only 68 g. Slip it into a pocket or bag and enjoy full-featured connectivity without bulk, perfect for business trips, commuting, and remote work.

Powerful connections for modern devices
Keep your devices running smoothly with up to 100 W power input and up to 80 W output passthrough for efficient charging via USB-C. Present and create with confidence using the HDMI port supporting up to 4K at 60 Hz for sharp, fluid visuals on external displays.

Wide-ranging support and compatibility
From fast networking to effortless media transfers, the Satechi OntheGo™ 7-in-1 Multiport Adapter has you covered. Connect via Gigabit Ethernet for stable, high-speed internet. Move files quickly with SD and microSD card slots. Add peripherals through dual USB-A ports. It is a versatile companion for laptops, tablets, and phones with USB-C.

Comprehensive travel essentials
Built for life on the road, the Satechi OntheGo™ 7-in-1 Multiport Adapter combines a durable build with a smart port selection to streamline your tech setup. It is your compact toolkit for staying productive, connected, and organized wherever you are.
