

Elevate your mobile device experience with the Satechi R1 Adjustable Mobile Stand. Meticulously designed with solid aluminium, this stand holds your device without slipping or scratching and adds a sleek and modern touch to your workspace. Adjust the stand at various angles depending on your needs, making it perfect for video conferencing, watching movies, or working with a Bluetooth keyboard. Its foldable and portable design allows you to carry it anywhere easily. The R1 stand is your ideal companion for comfortable and easy device handling.

- Optimal Viewing Experience
- Adjustable Height and Angle
- Sleek Aluminum Design
- Compatible with Most Devices
- Foldable and Portable

#### Optimal Viewing Experience

Featuring a 270-degree hinge mount and a 180-degree base hinge, the R1 stand allows you to adjust your device to the perfect height and angle effortlessly. This optimal positioning helps minimize neck strain, thus enhancing your viewing experience.

#### Adjustable Height and Angle

Depending on your needs, the R1 stand allows you to adjust the height and angle of your device. Whether typing on a keyboard, video conferencing, or watching a movie, this stand brings the device to your comfort zone.

#### Sleek Aluminum Design

Built with solid aluminium, the R1 stand seamlessly blends durability with elegance. Its rubber-finished grips hold your device without scratching or slipping, ensuring firm and reliable support.

#### Compatible with Most Devices

The R1 stand's universal design makes it compatible with most mobile devices, tablets, and laptops. Moreover, it works perfectly with most cases, thus adding use-value without compromising the safety of your devices.

#### Foldable and Portable

The R1 stand has a foldable design, which makes it an ideal travel partner. Fold and pack it in your laptop bag, and you're ready for on-the-go use whenever and wherever you need it.
