Satechi Slim EX1 Wireless Keyboard US English Layout - Blush

Satechi Slim EX1 wireless keyboard with US layout for Mac, Windows, and four devices

Keep your workspace uncluttered and your devices connected with the Satechi Slim EX1. This compact wireless keyboard combines quiet, low-profile keys with four-device connectivity and a dedicated OS switch for Mac and Windows. The Blush finish adds a subtle touch of colour to your desk.

- Connect up to four devices
- Switch between Mac and Windows layouts
- Type quietly with low-profile keys
- Make room with a slim, compact design
- Recharge for up to five weeks of use

Connect up to four devices
Connect through three Bluetooth 5.3 channels and a fourth wireless connection using the included 2.4 GHz USB-C receiver. Keep up to four devices connected without needing a separate keyboard for each.

Switch between Mac and Windows layouts
Use the OS switch to remap the keys for Mac or Windows. The US English layout gives you a consistent typing setup, with key functions adapted to your chosen operating system.

Type quietly with low-profile keys
Quiet, low-profile keys help keep typing noise down at home or in a shared workspace. The slim key design complements the keyboard's compact profile.

Make room with a slim, compact design
Measuring 28.56 × 11.93 × 1.67 cm and weighing 337 g, the Slim EX1 leaves more desk space available without adding bulk to your setup. Its compact dimensions also make it easy to carry between workspaces.

Recharge for up to five weeks of use
The removable rechargeable battery provides up to five weeks between charges, depending on usage. Recharge with the included USB-C to USB-C cable. The USB-C port is for charging only; typing connections are wireless.

Package includes

- Satechi Slim EX1 Wireless Keyboard
- 0.8 m USB-C to USB-C charging cable
- 2.4 GHz USB-C receiver
- User manual
