

Experience unparalleled connectivity with the Satechi Thunderbolt 4 Dock. Designed to enhance your workflow, this sleek and powerful dock is the perfect accessory to organize and expand your device's ports. With Thunderbolt 4 capabilities, you're assured of high-speed data transfer, versatile device compatibility, and reliable performance—all in a compact design. Elevate your productivity and streamline your setup with this must-have 12-in-1 Thunderbolt 4 Dock.

- Thunderbolt 4 connectivity for ultra-fast data transfer
- Dual 4K display output for an enhanced visual experience
- Multiple ports for all your devices
- Sleek and compact design
- Power delivery up to 96W
- Gigabit Ethernet for a stable wired connection

Thunderbolt 4 connectivity for ultra-fast data transfer

The Satechi Thunderbolt 4 Dock delivers ultra-fast data transfer speeds, ensuring quick and efficient file transfers. With three Thunderbolt 4 ports and data rates up to 40Gbps, you can transfer large files, such as videos and images, in seconds, allowing you to focus more on your work and less on waiting.

Dual 4K HDMI output for enhanced visual experience

Featuring dual 4K HDMI outputs, the Thunderbolt 4 Dock allows you to extend or mirror your screen across two Ultra HD displays. Enjoy crystal-clear image quality and a seamless multi-monitor setup that boosts your productivity and brings your creative projects to life.

Multiple ports for all your devices

The Thunderbolt 4 Dock is equipped with various ports to connect all your essential devices. From 3x USB-A 3.2 Gen 2 and 1x USB-A 2.0 ports to a UHS-II SD card reader, Gigabit Ethernet, and a 3.5mm audio jack, you have all the connectivity options you need. This versatile dock ensures that you can easily connect your peripherals, storage devices, and more.

Sleek and compact design

Designed with elegance and functionality in mind, the Satechi Thunderbolt 4 Dock features a sleek and compact design that complements any workspace. Its modern aesthetics will enhance your desk setup while ensuring your work area remains organized and clutter-free.

Power delivery up to 96W

The Thunderbolt 4 Dock's powerful 96W power delivery keeps your devices charged and ready to go. This feature ensures that your laptop and other connected devices receive a reliable and steady power supply, allowing you to work uninterrupted without worrying about battery life.

Gigabit Ethernet for a stable wired connection

Stay connected with the Thunderbolt 4 Dock's built-in Gigabit Ethernet port. Enjoy fast, stable, and low-latency wired internet access—ideal for video calls, large file transfers, and working from home.
