SATECHI

Satechi Thunderbolt 4 Multi-Display Docking Station - Space gray

Elevate your workspace and boost productivity with the Satechi Thunderbolt 4 Multi-Display Docking Station. This versatile docking station allows you to seamlessly connect multiple devices, enjoy ultra-fast data transfer, and experience stunning 4K visuals. It is designed for modern professionals and tech enthusiasts.

- Dual 4K Display Support
- Ultra-Fast Data Transfer
- Powerful Charging Capabilities
- Wide Device Compatibility
- Sleek and Compact Design

Dual 4K Display Support
Transform your workstation with stunning dual 4K displays (supports up to 8K/60Hz on a single compatible monitor and up to 4K/60Hz on four extended monitors). The Satechi Thunderbolt 4 Docking Station expands your screen real estate, making multitasking a breeze. Enjoy clear, vibrant visuals that bring your projects to life, whether you're working on intricate design projects or immersed in dynamic spreadsheets.

Ultra-Fast Data Transfer
Experience the speed of Thunderbolt 4 with ultra-fast data transfer rates. With 40Gbps transfer speeds, you can transfer 1,000 high-resolution photos in 20 seconds. The Satechi Docking Station offers exceptional performance, enabling you to transfer large files quickly and efficiently. Say goodbye to waiting and hello to seamless productivity as you move data between devices at lightning speeds.

Powerful Charging Capabilities
Keep all your devices powered up with the Satechi Docking Station's powerful charging capabilities. With multiple ports offering up to 96W power delivery, you can charge your laptop, smartphones, tablets, and other USB-C devices simultaneously. Never run out of battery during critical work sessions or on the go.

Wide Device Compatibility
The Satechi Thunderbolt 4 Docking Station is designed to be universally compatible. It seamlessly integrates with various devices, including laptops, monitors, external hard drives, and peripheral gadgets, ensuring maximum flexibility and convenience for all your connectivity needs.

Sleek and Compact Design
Crafted with a modern and minimalist aesthetic, the Satechi Docking Station fits perfectly in any professional setting. Its compact size saves valuable desk space while maintaining a clean and organized look. Enhance not only your productivity but also the elegance of your workspace.
