Designed for high-speed performance and efficiency, the Satechi THUNDERBOLT 4 SLIM HUB PRO is the perfect companion for your latest MacBook Pro or Thunderbolt™ 4 laptop. Embrace unparalleled data transfer speeds and crystal-clear 8K video support, all housed within a sleek, minimal design that complements your workspace. Experience the future of docking with Satechi.

- High-speed Thunderbolt™ 4 connectivity
- Crystal-clear 8K video display support
- Up to 96W of power delivery
- Super-fast data transfer speeds
- Compact and portable design

High-speed Thunderbolt™ 4 connectivity

With Thunderbolt™ 4 technology, the Satechi THUNDERBOLT 4 SLIM HUB PRO offers lightning-fast connectivity for all your needs. Enjoy blazing-fast data transfers up to 40Gbps and crystal-clear video output for up to two 4K displays or one 8K display.

Crystal-clear 8K video display support

Enhance your viewing experience with support for 8K video resolution. The THUNDERBOLT 4 SLIM HUB PRO guarantees stunning visual fidelity, making it ideal for creative professionals and entertainment enthusiasts seeking the highest quality.

Up to 96W of power delivery

Driven by the latest GaN technology and equipped with a larger 150W GaN power supply, keep your devices charged and ready to go with the hub's robust power delivery of up to 96W and delivering 15W of power to connected peripherals. This feature allows you to power your MacBook Pro or other compatible devices without the need for an additional charger.

Super-fast data transfer speeds

Say goodbye to waiting. The Satechi THUNDERBOLT 4 SLIM HUB PRO offers super-fast data transfer speeds that let you move files and back up your work in the blink of an eye, ensuring that your productivity is never compromised. The hub allows users to daisy-chain up to six devices at once and provides 32Gbps native PCIe support for external GPUs and Thunderbolt-based SSDs.

Compact and portable design

Meticulously crafted with aircraft-grade aluminum and unique chamfered edges, its slim Space Gray design takes up minimal desk space. With portability in mind, this hub is powerful and compact, making it an essential tool for professionals on the go. Its slim profile ensures it fits easily in your bag or laptop case, keeping you connected wherever you are.

Package includes

- Thunderbolt 4 Slim Hub Pro - Space Grey
- 28" TB4 Host Cable
- AC power adapter, C5 power cable
- User Manual
