Satechi USB-C Multi-Port Adapter 4K Gigabit Ethernet V2 - Space gray

Unleash the full potential of your laptop or desktop with the sleek and versatile Satechi USB-C Multi-Port Adapter 4K Gigabit Ethernet V2 - Space Grey. Using just one USB-C port, this device conveniently expands your connectivity capabilities with a 4K HDMI port, pass-through charging, a Gigabit Ethernet port, three USB-A ports, and SD and Micro SD Card slots.

- Completely redesigned and updated look
- 4K at 60 Hz HDMI video output
- Gigabit Ethernet port supporting 10/100/1000Mbps
- Three USB-A ports and SD and Micro SD Card slots
- Wide device compatibility

Completely Redesigned and Updated Look
The new and improved Satechi USB-C Multi-Port Adapter boasts a modern and sleek design that will complement your device. It's more than just an accessory; it's a statement of style and efficiency.
4K at 60 Hz HDMI Video Output
Enjoy an ultra-high resolution display with the adapter's 4K HDMI port. Connect your computer to a 4K monitor with an HDMI cable and indulge in crisp, vivid visuals that enhance your viewing and gaming experience.

Gigabit Ethernet Port Supporting 10/100/1000Mbps
The adapter is not just about wireless connectivity. It also includes a Gigabit Ethernet port that supports 10/100/1000Mbps, allowing you to connect to the internet directly using an Ethernet cable for faster and more stable connections.
Note: Hub is not compatible with Apple SuperDrive.

Three USB-A Ports and SD and Micro SD Card Slots
Get more done with the adapter's three USB Type-A ports and SD and Micro SD Card slots. Connect all your favourite devices and access your additional memory effortlessly.

Wide Device Compatibility
The Satechi USB-C Multi-Port Adapter is designed for versatility. It is compatible with a range of devices, including MacBook Pro M1, M1 Pro, M1 Max, iMac M1, MacBook Air, iPad Pro, iMac, Microsoft Surface Laptop 3/Surface Pro 7/Go, Google PixelBook Go, ChromeBook, Samsung Galaxy Tab Pro S, HP Spectre Convertible, Razer Blade, Huawei Matebook, and more USB-C devices.
