SATECHI

Satechi USB-C Multiport Adapter 8K with Ethernet V3 - Midnight

Maximize your workspace efficiency and aesthetics with the Satechi USB-C Multiport Adapter 8K with Ethernet V3. Designed to match the Apple aesthetic in a sleek Midnight finish, this adapter offers an unparalleled 8K display capability, pass-through charging, multiple USB-C connections, Ethernet, and an SD card slot encased in an elegant aluminium design, emphasising both form and function. This versatile accessory is the perfect companion for professionals, creatives, and tech enthusiasts looking to expand their device's connectivity with style and speed.

- High-Resolution 8K Display Support
- Blazing-Fast Data Transfer Rates up to 10Gbps
- Pass-Through Charging up to 85W
- Stylish and Durable Aluminum Design
- Seamless Plug-and-Play Experience

High-Resolution 8K Display Support
Elevate your visual experience with the adapter's support for a stunning 8K/30Hz display on 8K-compatible devices. The high-resolution output ensures vibrant imagery and deeper colour fidelity, perfect for high-definition gaming or professional video editing. Whether you're working or enjoying content, this feature offers a variety of display options, including 4K at higher refresh rates, to suit your needs.

Blazing-Fast Data Transfer Rates
Data transfer becomes a breeze with the adapter's enhanced USB-C ports. Supporting the latest USB 3.2 Gen 2 standard, the adapter facilitates data transfer rates of up to 10Gbps, allowing you to handle large file transfers, streaming, or device syncing with unprecedented speed. The added UHS-II SD card reader offers even quicker access to transfer your important content efficiently.

Pass-Through Charging for High-Power Devices
The USB-C Multiport Adapter 8K with Ethernet V3 isn't just about connectivity but also power. With pass-through charging capabilities, you can deliver up to 85W to your devices, ensuring that even the most power-hungry peripherals are adequately supplied. Charge swiftly and efficiently without compromising your productivity.

Stylish and Durable Aluminum Design
Integrating seamlessly into the modern workspace, the adapter's aluminium design with chamfered edges complements the Apple ecosystem while offering durability. Its slimmer and rounder USB-C connector ensures a better fit for devices in cases, and the choice of colourways matches your style and preference.

Seamless Plug-and-Play Experience
Simplicity is at the heart of the USB-C Multiport Adapter 8K with Ethernet V3. The plug-and-play design eliminates the need for additional drivers or software, making it instantly compatible with various devices and operating systems. Intuitive and hassle-free, this adapter ensures a seamless user experience from the moment you connect it.

Package includes

- 1x Satechi USB-C Multiport Adapter 8K with Ethernet V3 - Midnight
- 1x User Manual
