

Elevate your data transfer, charging capabilities, and visual experience with the revolutionary Satechi USB4 Pro Cable. Designed with versatility and durability in mind, this USB4 Pro Cable is your ultimate choice for ensuring top-tier connectivity, offering ultra-fast transfers, robust charging power, and superb 8K video quality. It's universally compatible and boasts a durable black braided design.

- Ultra-fast data transfers
- Robust 240W charging power
- High-resolution 8K video
- Universal compatibility
- Durable design

Ultra-Fast Data Transfers

Enhance your productivity and achieve maximum performance with our ultra-fast data transfer speed that clocks up to 40Gbps. Connect this versatile cable to your laptop, smartphone, tablet, or hard drive – experience high-speed, smooth transfers especially tailored for content creators, gamers, or business professionals.

Robust 240W Charging Power.

Faunting an extended power range, this cable delivers a robust 240W to charge all your high-powered devices swiftly and efficiently. It's ideally suited for smartphones, tablets, laptops, and more, ensuring you always stay supercharged and on top of your work.

High Resolution 8K Video

Experience vivid details, beautiful colours, and an elevated visual clarity of up to 8K/60Hz when connecting this USB4 Pro Cable to an external monitor. Whether for work, gaming, or watching your favourite shows, this high-performing cable guarantees optimal visuals every time.

Universal Compatibility

Our USB4 Pro Cable is engineered to support older USB versions. As a USB-IF-certified cable, it offers downward compatibility with USB 3.2, 3.1, 3.0, and 2.0 while accommodating Thunderbolt 4 and Thunderbolt 3.

Durable Design

Featuring a robust black braided design that coils without tangling, our USB4 Pro Cable ensures easy usage, simple storage, and superior longevity. It is ideal for all Satechi wall and desktop chargers and all Apple power adapters.
