Supercharge your workflow with the Satechi USB4 Slim NVMe SSD Enclosure—a sleek, high-performance storage solution designed for speed and flexibility. Harnessing USB4 technology, this enclosure delivers lightning-fast transfer speeds up to 40Gbps (3840MB/s), making it ideal for professionals, gamers, and creatives who need rapid access to large files. Compatible with multiple SSD sizes (2230, 2242, 2260, 2280) and supporting up to 8TB of storage, it's the perfect way to expand your capacity without costly internal upgrades. Inspired by Apple's minimalist design, it's portable, stylish, and built for seamless plug-and-play performance.

- **Blazing-Fast USB4 Speeds** – Transfer files at up to 40Gbps for unmatched efficiency.
- **Expandable Storage** – Supports NVMe SSD 2230, 2242, 2260, 2280 sizes and capacities up to 8TB.
- **Sleek & Portable Design** – Premium aluminum build with a hidden cable compartment.
- **Plug-and-Play Simplicity** – No drivers or power bricks needed—just connect and go.
- **Universal Compatibility** – Works with Thunderbolt 5, USB4, and USB-C devices.

Blazing-Fast USB4 Speeds

Experience ultra-fast data transfers with USB4 technology, reaching speeds up to 40Gbps. Whether you're moving 4K video files, high-resolution photos, or large game libraries, this enclosure ensures your workflow stays smooth and efficient. No more waiting—just rapid file access when you need it most.

Expandable Storage

Running out of space? The Satechi USB4 Slim NVMe SSD Enclosure lets you easily upgrade your storage with compatible M.2 NVMe SSDs (up to 8TB). Swap drives as needed, eliminating the need for expensive internal upgrades while keeping all your essential files within reach.

Sleek & Portable Design

Designed to match your Apple gear, this enclosure combines premium aluminum construction with a slim, lightweight profile. The hidden cable compartment keeps your setup tidy, while the durable build ensures protection on the go—perfect for professionals and travelers.

Plug-and-Play Simplicity

No complicated setup required. Just plug the enclosure into your Mac, PC, or tablet via USB-C, and it's ready to use—no drivers or external power needed. Effortless connectivity means you can focus on your work without interruptions.

Universal Compatibility

Compatible with Thunderbolt 5, USB4, and USB-C devices, this enclosure works seamlessly across multiple platforms. Whether you're editing on a MacBook or backing up files on a Windows PC, you'll enjoy reliable, high-speed performance.

Package Includes:

- 1x USB4 Slim NVMe SSD Enclosure - Silver
- 1x Thermal Pad
- 1x USB-C Cable
- 1x Screw & Screwdriver
- 1x User Manual

Product Specifications:

- Interface: USB4 (up to 40Gbps)
- Supported SSDs: M.2 NVMe SSD Enclosure (1 Slot)(2230, 2242, 2260, 2280)
- Max Capacity: 8TB
- Dimensions: 12.7 x 12.7 x 1.6 cm
- Weight: 207.5g
- Cable Length: 15 cm
- Colour: Silver

*Note: SSD not included. Incompatible with SATA M.2 SSDs and drives with heatsinks/double-sided designs.
