Fits devices up to 14"
Engineered to accommodate laptops and tablets up to 14 inches, the UAG Slim Brief provides a snug and protective environment for your most valuable tech. Carry your device with confidence knowing it fits perfectly within the padded enclosure.

Durable exterior made from 840D material
Crafted from tough 840D material, the UAG Slim Brief is designed to withstand the rigors of daily use and harsh environments. This durable exterior resists abrasions and offers long-lasting performance, ensuring your gear remains protected no matter where your journey takes you.

360-degree padded dual-layer perimeter protection
With a 360-degree dual-layer padding system, your device is shielded from all angles. This innovative design absorbs shocks and impacts, providing comprehensive protection that meets military drop-test standards. Whether you're navigating crowded airports or bustling city streets, your tech will stay safe.

Equipped with detachable shoulder strap, front accessory pocket, and luggage pass-through
The UAG Slim Brief comes with a detachable shoulder strap and convenient hand straps for versatile carrying options. The front accessory pocket is perfect for storing essentials like keys, earbuds, or chargers, while the luggage pass-through feature makes it easy to secure your brief to your rolling suitcase.

Meets military drop-test standards [MIL STD 810G 516.6]
Tested to meet military drop-test standards, the UAG Slim Brief delivers superior shock protection for your device. It endures rigorous testing to ensure that it can handle the toughest conditions, giving you peace of mind that your tech is well-protected at all times.
