

Satechi presents the Eco Hardshell Case for MacBook Air M2 - a sleek and durable protective cover specifically designed for your MacBook Air M2. This lightweight case not only secures your device but also enhances its portability. With dark clear aesthetics and anti-scratch and anti-fingerprint technology, it is perfect for you to carry your MacBook Air M2 wherever you go.

- Designed specifically for 2022 MacBook Air M2
- Easy access to all ports
- Anti-Slip Grip feet
- Precise cutouts for no interference with adapters and hubs
- Polycarbonate hardshell for 360-degree protection

#### **Designed specifically for 2022 MacBook Air M2**

The Eco Hardshell Case is designed exclusively for the 2022 MacBook Air M2. This high-quality case provides optimal protection against accidental damage without sacrificing sleek aesthetics and lightweight portability.

#### **Easy access to all ports**

The meticulous design and precise cutouts of the case ensure easy accessibility to all ports. You'll never have to worry about damaging connectors or strained ports as the case fits perfectly onto the MacBook Air M2.

#### **Anti-Slip Grip Feet**

This hardshell case features Anti-Slip Grip feet on the bottom for better heat disbursement. The Anti-Slip feature ensures your MacBook Air M2 stays put and does not slide off the surface, offering an added layer of security to your device.

#### **Precise cutouts for no interference with adapters and hubs**

The design of the Eco Hardshell Case is fitting - it is ideal for Satechi's Pro Hub lineup and similar adapters and hubs. The case avoids any hindrance or interference with these additional accessories.

#### **Polycarbonate hardshell for 360-degree protection**

The case uses a polycarbonate hardshell, an energy-efficient and 100% recyclable material. This offers 360-degree protection to your MacBook, safeguarding it from damage while keeping it eco-friendly.
