Protective thermoformed hard shell
The thermoformed hard shell helps protect your MacBook without adding unnecessary bulk.

Premium quilted fabric for style and durability
The premium, water-resistant twill exterior features a distinctive quilted diamond pattern for an elegant, durable finish.

Suspension system for comfortable, stable use
The suspension system lets you work comfortably on your MacBook while it stays securely inside the case, without obstructing the display.

Dual weather-resistant zippers and genuine leather handle
Two weather-resistant zippers provide easy access, while the genuine leather handle offers convenient carrying for meetings and longer trips.

Slim design for easy transport and storage
The slim profile and recessed handle make SuitCase easy to pack in a work bag or backpack for everyday travel.
