Environmentally Conscious Materials

Our commitment to the planet is evident in every aspect of the Horizon sleeve. Made with 100% recycled materials, our sleeve champions sustainability. From a 100% recycled fabric exterior and zipper to a soft inner lining, we're proud to utilize 12 recycled bottles from sea-sorted waste in each sleeve.

Superior Shock Resistance

Protect your MacBook Pro 14" against life's unexpected mishaps. The memory foam safeguards your tech by absorbing shocks and impacts. Whether it's a fall from a desk or an abrupt stop in transit, trust the Horizon sleeve's multi-layer design to provide unparalleled protection.
