Pipetto Classic Fit Sleeve for MacBook Air 15 - Black

The Pipetto Classic Fit is a slim, lightweight sleeve shaped to the contours of your MacBook Air 15-inch for a secure, snug fit. Made from 4mm premium neoprene with a soft lycra exterior and an ultra-soft faux-fur lining, it keeps your device protected from knocks, scratches, dust and dirt while sliding easily into any bag or briefcase. Smart details such as a dual-zip opening and a protective zip closure around all edges make it a practical choice for everyday carry.

- Premium 4mm neoprene construction
- Protective zip closure around all edges
- Two-way zip for left- and right-handed access
- Ultra-soft faux-fur interior lining
- Ultra-slim profile for easy carrying

Premium 4mm neoprene construction
The sleeve is built from high-quality 4mm neoprene with a soft outer finish, offering reliable shock absorbency and 360 degree impact protection to keep your MacBook safe during daily transit.

Protective zip closure around all edges
The zip runs around all edges of the sleeve, giving added protection to the corners and sides of your MacBook, which are often the most vulnerable areas during bumps and drops.

Two-way zip for left- and right-handed access
Dual zip pullers let you open the sleeve from either side, making it quick and comfortable to access your MacBook regardless of which hand you prefer to use.

Ultra-soft faux-fur interior lining
Inside, a soft faux-fur lining cushions your MacBook and helps prevent scratches, dust and dirt from reaching the surface, keeping the device looking new over time.

Ultra-slim profile for easy carrying
The minimalist design adds protection without adding bulk, so the sleeve slips neatly into a backpack, tote or briefcase alongside your other essentials.
