Perfectly Tailored Fit

The Horizon sleeve is engineered to embrace your MacBook Pro 14 tightly". Meticulously designed, it assures your device remains secure, reducing the risk of scratches or jolts during movement. This snug fit is a testament to our commitment to providing sleek form and practical functionality.

Exceptional Shock Resistance

With multilayer protection using LRPu memory foam, the Horizon sleeve shields your device against the unexpected bumps of daily life. This exceptional shock resistance translates to peace of mind, knowing your MacBook Pro 14" has the utmost protection from falls and impacts.

Ultra-soft Inner Microfiber Lining

We understand that protection should be gentle. The Horizon sleeve features an ultra-soft microfiber lining designed to caress your device, safeguarding against scratches and preserving its pristine condition. This choice reflects our dedication to detail, ensuring comprehensive protection.

Environmentally Responsible Materials

MW believes in marrying eco-friendliness with durability. The Horizon sleeve, consisting of 100% recycled fabric, zipper, and soft inner materials, is a testament to that philosophy. Each sleeve embodies our pledge to the planet, repurposing an equivalent of 12 recycled bottles from sea-sorted waste.

Designed with French Elegance

Our Horizon sleeves exude French elegance, displaying functional superiority and an air of sophistication. Resonating with chic design values, it's a statement piece that epitomizes protection in the guise of high fashion, created for those who cherish both style and sustainability.
