UAG Dryout 18L Roll-Top Backpack - Black

Carry your electronics with organised storage and built-in moisture removal. The Urban Armor Gear Dryout 18L Roll Top Backpack combines weather protection, dedicated laptop and tablet sleeves, and DRYOUT technology to help remove moisture from electronics after exposure to rain, sweat, condensation, humidity or spills.

- Active moisture removal for electronics
- Dedicated laptop and tablet storage
- Waterproof construction for everyday protection
- Comfortable carrying and travel-ready design
- Reusable DRYOUT core

Active moisture removal for electronics
Integrated DRYOUT Active Moisture Removal Technology helps draw moisture away from electronics after exposure. Approximate recovery times are 3 to 7 hours after light moisture exposure or 5 to 9 hours after full immersion. These times are estimates, not a guarantee of device recovery. Before use, switch off the affected device, remove accessories and removable batteries, and wipe away visible moisture.

Dedicated laptop and tablet storage
Keep your devices organised with separate laptop and tablet sleeves. The 18-litre interior accommodates laptops with screen diagonals up to 40.6 cm, tablets and similarly sized electronics. A zipped mesh organiser keeps smaller items together, while the front pocket provides accessible storage.

Waterproof construction for everyday protection
A PU-coated 600D polyester shell and seam-taped waterproof construction help protect your belongings from wet conditions. The roll top closure and weather-resistant front pocket provide practical storage for daily journeys and travel.

Comfortable carrying and travel-ready design
A quilted Airmesh back panel and breathable padded shoulder straps support comfortable carrying. When travelling with a suitcase, the luggage pass-through lets you secure the backpack to the handle and keep your bags together.

Reusable DRYOUT core
The absorbent DRYOUT core can be reset for repeated use. Follow the manufacturer’s instructions to reset it using sunlight, direct heat or forced airflow, so it is ready for future moisture exposure.

Package includes

- One Urban Armor Gear Dryout 18L Roll Top Backpack in Black

Product specifications

- Brand: Urban Armor Gear
- Product: Dryout 18L Roll Top Backpack
