

Elevate your laptop experience with the ALOGIC Bolt Adjustable Laptop Stand. Perfect for any desk setup, this space grey stand boasts a sleek, lightweight design crafted from high-quality aluminium with protective silicon pads. It's the ideal solution for a secure and ergonomic workspace.

- Adjustable Compatibility
- Tailor-made to fit devices from 11mm to 32mm
- Premium construction with high-grade aluminium
- Designed for durability and load-bearing strength
- Suitable for a wide range of laptops and MacBooks
- Compact, travel-friendly, and easy to use

Adjustable Compatibility

This stand is engineered to custom fit a range of devices, boasting clamps that easily adjust to support laptop sizes between 11mm and 32mm. No matter the device, the ALOGIC Bolt ensures a snug, secure, and scratch-free fit, making it a versatile accessory for any laptop or MacBook.

Premium Construction

Made from robust aluminium material, the ALOGIC Bolt Adjustable Laptop Stand is designed to endure daily wear and tear. Its long-lasting build quality promises to keep your workstation looking sleek and professional, day in and day out.

Designed for Durability

The ALOGIC Bolt is built to support most laptops and MacBooks, easily handling the load. Whether crunching numbers or designing graphics, trust this stand to offer unwavering support.

Suitable for a Wide Range of Laptops and MacBooks

Compatibility is paramount with the ALOGIC Bolt, which is designed to fit most laptop and MacBook models. Forget the hassle of searching for model-specific accessories; this stand accommodates various devices with effortless grace.

Compact, Travel-Friendly, and Easy to Use

For professionals on the go, the ALOGIC Bolt is a dream. Lightweight and portable, it's easy to carry to coffee shops, co-working spaces, or wherever work takes you. Setup is a breeze, so you're ready to work comfortably in no time.
