With universal compatibility and advanced features, this stand ensures your laptop and mobile devices are always powered and at the perfect viewing angle.

- Universal Compatibility
- Adjustable Design
- Premium Build Quality
- Fast Wireless Charging
- Comprehensive Safety

Universal Compatibility

The ALOGIC Elite Power Laptop Stand caters to a wide range of laptops, from 11" to 17". It extends its support across various models, including the Apple MacBook range and the Dell XPS line, to provide a one-size-fits-all solution. This feature ensures that no matter the brand or size of your laptop, the stand provides a stable and suitable fit.

Adjustable Design

Comfort in your workspace is non-negotiable. That's where the adjustable design comes into play. This versatile laptop stand's height and angle can be finely tuned to meet your specific ergonomic needs. Alter your laptop's positioning for optimal viewing and typing experiences, preventing strain during extended usage.

Premium Build Quality

The ALOGIC Elite Power Laptop Stand is crafted with robust aluminum alloys and boasts longevity and resilience. The inclusion of anti-slip silicone pads guarantees a secure grip on your device, eliminating the worry of accidental slips or movement as you engage with your laptop on this sturdy platform.

Fast Wireless Charging

In today's world, staying connected means keeping your devices charged. The ALOGIC Elite Power Laptop Stand has a built-in wireless charging pad, ready to power up your Qi-compatible devices quickly. This functionality streamlines your desk, allowing for cable-free charging of smartphones and earphones, even while you work.

Comprehensive Safety

Safety is paramount when it comes to powering your devices. This innovative laptop stand has been carefully designed with features such as foreign object detection. These measures ensure safe charging by protecting electronics from potential damage and preventing excess heat build-up in the stand's base.
