

ALOGIC Elite Power Laptop Stand with Wireless Charger - White

Enhance your workspace with the ALOGIC Elite Power Laptop Stand with Wireless Charger, designed to offer versatility and comfort. Perfectly suited for modern professionals, this stand offers universal compatibility, height and angle adjustability, and a fast wireless charging feature, making it a must-have accessory for your laptop setup.

- Universal Compatibility
- Adjustable Height and Angle
- Ultra-Build Quality
- Fast Wireless Charging
- Safety Features

Universal Compatibility

The ALOGIC Elite Power Laptop Stand is designed for seamless use with all laptops ranging from 11 to 17 inches, encompassing popular models like MacBook Pro, MacBook Air, Dell XPS, and Chromebook. Its universal compatibility ensures that no matter your laptop brand or model, this stand will accommodate your needs perfectly.

Adjustable Height and Angle

Experience unparalleled comfort with the ALOGIC Elite Power Laptop Stand. Both the height and angle are easily adjustable, allowing you to tailor its positioning to your ideal ergonomic setup. This ensures optimal viewing angles whether you're at home, in the office, or on the go.

Ultra-Build Quality

Constructed from durable aluminium alloys, this laptop stand is engineered to withstand daily wear and tear without a scratch. Anti-slip silicone pads provide a secure grip for your device, minimizing wobbling and keeping it firmly in place as you type.

Fast Wireless Charging

Stay powered with the built-in wireless charging pad, designed to fast charge all your Qi-compatible devices. Whether it's your 8th to 14th Generation iPhone, Samsung Galaxy S7-22s, or AirPods 2/3/Pro, enjoy fast charging speeds of up to 10W or 7.5W for iPhones, conveniently integrated into your laptop stand.

Safety Features

The Elite Power Laptop Stand takes device safety seriously. It incorporates foreign object detection to protect your devices from potential damage. This advanced feature prevents overheating, ensuring the stand remains cool and your devices are secure while charging.
