Superior Functionality

The Satechi USB-C Monitor Stand Hub XL is designed to maximize productivity. This stunning multipurpose accessory lets you connect multiple devices without extra cables, allowing you to focus on what matters.

Essential Expansion Ports

The USB-C Monitor Stand Hub XL has five expansion ports: Type-C, USB 3.0, SD/MicroSD, and an Audio Jack of 3.5mm. These ports allow quick data transfer and support most devices, fulfilling all your connectivity needs.

Encourages Better Posture

Designed with your health in mind, the USB-C Monitor Stand lifts your device to a comfortable viewing angle, reducing neck strain and fostering better posture. Send those long work hours in comfort and style, keeping your workspace organized.

High Compatibility

The USB-C Monitor Stand Hub XL is highly compatible with MacBooks to HP. It supports devices with a standard Type-C interface, including 2019/2018/2017/2016/2015 Macbook, 2019/2018/2017/2016 MacBook Pro, 2020 MacBook Pro M1, 2020 iMac Apple iMac, Huawei Matebook, HP Spectre, Chromebook, Dell XPS series, and countless other devices.

Premium Design

With a modern aluminium finish, the USB-C Monitor Stand Hub XL functions brilliantly and looks fantastic. It adds a touch of elegance to your workspace while also being a hardworking piece of technology.
