Twelve South BackPack for iMac M1 - White

Twelve South's BackPack for iMac M1 & Studio Display is a sturdy, ventilated aluminium shelf that keeps hardware off your desk and offers space to display personal items. It mounts to the back of your display stand without tools for a discreet, integrated look.

- Integrated design: Made exclusively for iMac M1 and Studio Display.
- Versatile storage: Keep hardware behind your display.
- Simple installation: Mounts without tools.
- Personal display space: Showcase artwork, awards or personal items.
- Cable organisation: Cable management accessories included.

Integrated design: Made for your display.
BackPack is designed exclusively for the colourful iMac M1 and Apple Studio Display with the tilt-adjustable stand only. It attaches to the back of the stand to complement your display.

Versatile storage: Keep hardware off your desk.
Store portable hard drives and USB-C hubs neatly behind your display, freeing up desk space.

Simple installation: No tools required.
BackPack's two-piece holster attaches to your iMac or Studio Display stand without tools. The clear holster lets your iMac's colour show through.

Personal display space: Make the most of the rear view.
If the back of your iMac or Studio Display faces colleagues or customers, use the matte white shelf to display artwork, awards, welcome signs or personal items in your office or shared workspace.

Cable organisation: Keep your setup tidy.
The included Twist Ties help organise cables and maintain a clean, minimal look.
