

Twelve South's BackPack for iMac M1 & Studio Display is meticulously crafted to blend with the aesthetic of your device seamlessly. It offers a convenient, vented storage and an aesthetic display area to declutter your desk and personalise your workspace. Its easy installation and sturdy design make it an ideal accessory for your iMac or Studio Display.

- **Seamless Integration:** Designed exclusively for iMac M1 and Studio Display.
- **Innovative Use:** Provides storage for hardware and doubles as display shelf.
- **Easy to Install:** No tools required for installation.
- **Customisation:** Personalise your workspace with visible displays.
- **Efficient Organisation:** Includes cable management tools.

**Seamless Integration: Designed exclusively for iMac M1 and Studio Display.**

Exclusively designed for the Apple Studio Display (with tilt-adjustable stand only) and the colorful iMac, this sleek aluminium BackPack shelf seamlessly attaches itself to the back of your display stand, appearing as a part of the original design.

**Innovative Use: Provides storage for hardware and doubles as display shelf.**

It isn't just a shelf - it's an innovative solution that allows for neat storage of portable hard drives and USB-C hubs, as well as the display of artworks, awards, or welcoming signage that faces your co-workers or customers.

**Easy to Install: No tools required for installation.**

The BackPack's two-piece holster attaches to your iMac or Studio Display stand effortlessly without needing any tools. The clear holster enhances your display's aesthetic and allows the colour of your iMac to shine through.

**Customisation: Personalise your workspace with visible displays.**

In locations where the back of your iMac or Studio Display is visible, the matte white BackPack serves as a canvas for your creativity. It transforms your office or co-working space into a personalised area resonating with your taste, enhancing the overall workspace experience.

**Efficient Organisation: Includes cable management tools.**

The BackPack comes with Twist Ties for efficient cable management. By tidying up cables not only maintains the clean, minimal Apple aesthetic but also amplifies work efficiency.
