Reclaim Valuable Desk Space with a Vertical Stand

Maximize your work area by securely holding your MacBook in a vertical position. This optimizes space on even the most crowded desks, granting you more room for essential tasks. With BookArc Flex, free space is no longer a luxury — it becomes your new standard.

Universal Compatibility with MacBooks and Laptops up to 1-Inch Thick

Twelve South understands that flexibility means everything in today's tech world. The BookArc Flex is designed to support any MacBook or laptop up to one inch thick, ensuring a snug fit without the need for inserts. Embrace the convenience of "set it and forget it" with a stand that adjusts to you.

Promotes a Clutter-Free Environment Even on Smaller Desks

Integrating seamlessly into your workflow, the BookArc Flex aids in creating a well-organized desk. The stand's thoughtful design reserves space for larger displays, allowing for a more productive and visually clean environment, essential for smaller work areas.

Adapts to Accommodate Current and Future MacBook Models

Future-proof your desk setup with a stand that effortlessly adjusts to fit any MacBook model, both now and on the horizon. Whether it's the latest release or a trusty older version, the BookArc Flex silently evolves with your technological advancements.

Sleek Design Available in Chrome to Complement Your Setup

A colour to match any office or home setup, the Twelve South BookArc Flex comes in a sophisticated chrome finish. Not just a stand; it is an expression of your style. Enhance your desk's aesthetic with a hint of elegance and a touch of modern design.
