

## Twelve South HiRise for MacBook - Designed for laptops in all sizes

Twelve South presents the HiRise for MacBook, a remarkably designed, height-adjustable stand. Perfectly engineered for laptops of all sizes, this stand raises your MacBook to a comfortable level, creating a more conducive work environment. Transforming your laptop into a comfortable workstation, HiRise is more than an accessory, it's a desk upgrade. Elevate your work experience today with the HiRise for MacBook.

- Adjustable MacBook Screen Height
- Aligns with external monitors
- Ideal for home office setup
- Compatible with all-size MacBooks
- Sleek brushed metal design with non-slip arms

### Adjustable MacBook Screen Height

HiRise is specially engineered to adjust your MacBook screen height to 6 inches, enabling you to set your screen to an achievable eye level. This ability reduces neck strain, making your long working hours more manageable.

### Aligns with external monitors

What's more, HiRise aligns your MacBook with an external display, creating the ultimate dual-screen setup. With HiRise, you have the convenience of a laptop and the comfort of a desktop view.

### Ideal for home office setup

Pair your MacBook with your favourite wireless keyboard and mouse and have a complete home office setup. HiRise allows you to create an ultra-comfortable, super-convenient workstation for all your professional needs.

### Compatible with all-size MacBooks

From the 11-inch MacBook Air to the 16-inch MacBook Pro, HiRise caters to them. Its v-shaped arms, lined with soft silicone, ensure a firm grip and maximum airflow around your laptop for optimum performance.

### Sleek brushed metal design with non-slip arms

Fitted with a sleek metal stand with a spring-loaded stem, HiRise lets you adjust the height effortlessly. Its non-slip arms and Teflon rails mean no marks on your desk, only top-notch support for your laptop.

### Package includes

- 1x Hirise for MacBook
