Built-in *Apple Find My* technology
Locate your PlugBug 50W charger using the Find My app on your iPhone, whether you have left it at home, in a hotel or in an airport lounge.

Ultra-slim design with foldable plugs
The ultra-slim profile sits flat against walls and outlets to save space. Foldable plugs make the charger easy to pack and carry, while a bold red accent helps distinguish it from other chargers.

Smart power delivery
Smart power delivery distributes power between connected devices for efficient USB-C charging.

Interchangeable adapters
Interchangeable adapters let you use the charger with different power outlets around the world, at home or when travelling.

Charge two devices at once
The two USB-C ports deliver a combined output of up to 50 W: 30 W from port C1 and 20 W from port C2. Charge a compatible laptop and smartphone together, or connect other USB-C devices within these power limits.
