90% Less Smoke with Double-Wall Design
Experience the joy of a nearly smoke-free fire with the herQs Smokeless FirePit - Cozy. Its innovative double-wall construction dramatically reduces smoke, drawing in cold air from the bottom, heating it within the walls, and efficiently burning it at the top. Enjoy clean, pleasant warmth throughout your evening without the typical smoky nuisance.

Spacious Layout for 6-8 People
Gather your loved ones around the herQs Smokeless FirePit - Cozy, designed to comfortably accommodate 6-8 people. Whether you're hosting an intimate family night or a lively evening with friends, this fire pit serves as the perfect centerpiece, bringing people together in comfort and style.

Quick 10-Minute Setup
Embrace spontaneity with the herQs Smokeless FirePit - Cozy. Its user-friendly design ensures a quick and easy setup, ready for use in just 10 minutes. Spend less time on preparation and more time enjoying the warmth and ambiance of your outdoor fire experience.

Efficient Dual Airflow System
Achieve optimal combustion with the advanced dual airflow system. This innovative design draws and preheats air through its double-wall feature, facilitating complete re-burning at the top. The result is longer-lasting fires with minimal waste, making your outdoor experience both enjoyable and environmentally friendly.

Includes Protective Cover and Ring Stand
Every herQs Smokeless FirePit - Cozy comes complete with a durable protective cover and a stable ring stand. These essential accessories not only protect your fire pit from the elements but also ensure safe and worry-free usage with a sturdy base, enhancing your overall experience.
