Satechi W3 USB-C keyboard - Nordic Layout

Discover the ultimate wired keyboard experience with the Satechi W3 USB-C Keyboard - Nordic Layout. It is designed for Mac and iOS devices and features a sleek, modern aluminium design, combining functionality with a modern workspace's aesthetics. Experience typing comfort, superior control, and tailored convenience with adjustable backlit keys and an easy, wired USB-C connection.

- Optimized for Mac & iOS devices
- Wired USB-C connection
- Adjustable backlit keys
- Extended layout with a numeric pad
- Modern aluminium design

Optimized for Mac & iOS Devices
The Satechi W3 USB-C Keyboard is designed with Apple users in mind, offering all the features you need with an extended keyboard layout with a numeric pad, adjustable backlit keys, and MacOS function keys. Enjoy the sleek aluminium finish that adds a touch of modern aesthetics to your desk.

Wired USB-C Connection
Experience a hassle-free, instant connection with the built-in USB-C cable. Perfect for areas with poor wireless connectivity or when a simple solution is needed, the W3 USB-C Keyboard will quickly become your go-to peripheral.

Adjustable Backlit Keys
Enhance your typing experience with the backlit keys, featuring three brightness levels for the perfect amount of light, regardless of your setting. It also includes MacOS function hotkeys to adjust brightness conveniently, volume, and more on your connected device.

Extended Layout with a Numeric Pad
Upgrade your productivity with the extended keyboard layout that includes a numeric pad, giving you extra convenience for data input and numeric tasks. The keyboard is intelligently designed to cater to all your typing needs.

Modern Aluminum Design
Seamlessly blending functionality with modern design, the Satechi W3 USB-C Keyboard fits perfectly within any décor. Its slim-line construction, matched with a stylish aluminium finish, amplifies the elegance of your desk space.
