

Twelve South BookArc for MacBook - Turn your laptop into a desktop

Transform your MacBook into a powerful desktop hub with the Twelve South BookArc, the world's preferred MacBook stand. Save precious desk real estate and enhance your workstation by incorporating the sleek style and intelligent design of the BookArc into your workflow.

- Space-Saving Vertical Design
- Optimized Cable Management
- Interchangeable Silicone Inserts
- Closed-Clamshell Mode Ready
- Universal Compatibility for Current MacBooks

Space-Saving Vertical Design

The Twelve South BookArc takes the notion of ergonomic workspaces to the next level with its vertical orientation. By holding your MacBook upright, you reclaim valuable desk space, allowing for a tidier and more organized setup, perfect for those seeking a minimalist approach to their working environment.

Optimized Cable Management

Keep your workspace sleek and uncluttered with BookArc's specially designed cable-catch feature. This innovative addition holds your cables in place, preventing them from slipping to the ground when unplugged, saving you from the constant annoyance of picking cables off the floor.

Interchangeable Silicone Inserts

The BookArc boasts versatility with three interchangeable silicone inserts that cushion your MacBook securely. These inserts cater to various MacBook models, ensuring a snug fit and preventing your laptop from scratches or slippage.

Closed-Clamshell Mode Ready

BookArc allows you to take full advantage of your MacBook's capability by supporting closed-clamshell mode. By connecting to an external monitor and accessories, you can create a more comfortable and expansive desktop setup, making multitasking a breeze and elevating your productivity.

Universal Compatibility for Current MacBooks

The premium aluminum design of the Twelve South BookArc is accompanied by a silicone insert tailored to fit your device, compatible with MacBook Pro with Thunderbolt 3/USB-C, MacBook Air with Retina Display, and MacBook Pro with Retina Display.
