

Experience unbridled charging performance with the JustMobil JM Highway Max. Designed for the discerning traveler, this in-car charger provides you with the twin benefits of functionality and aesthetic appeal. Crafted to ensure that your smartphones, tablets, and other USB-powered devices never run out of juice, the JustMobil JM Highway Max is the perfect companion for all your adventures on the road.

- Maximum Charging Power
- Universal Compatibility
- Surge Protection
- Sophisticated Design
- Comprehensive Kit

#### Maximum Charging Power

Boasting two high-performance 2.4A USB ports, the JM Highway Max with Micro-USB Cable offers a total output of 24W. This allows for rapid, simultaneous charging of multiple devices, ensuring that both your phone and tablet are ready for use at a moment's notice.

#### Universal Compatibility

Never worry about device compatibility again. The JustMobil JM Highway Max universally accommodates any USB-A cable. With its included coiled micro-USB cable, you have the convenience of immediate use, as well as the freedom to charge a variety of USB-A devices.

#### Surge Protection

With safety as a priority, the JM Highway Max features a built-in fuse that provides surge protection, offering peace of mind as your devices charge. The prevention of power surges means not just safety for your gadgets, but also for your car's electrical system.

#### Sophisticated Design

The JM Highway Max isn't all about performance—it's also about making a statement. The meticulous craftsmanship is showcased with a sleek housing and a subtle green micro-LED power light that indicates operation. Its smart-charging chipset intelligently detects connected devices to deliver optimal charging.

#### Comprehensive Kit

The JustMobil JM Highway Max comes with everything needed for an enhanced charging experience. The package includes the charger itself, a 6ft/1.8m USB-to-micro USB coiled cable for added reach, and a user manual for instructions and guidance.
