High-quality leather rear case for iPhone 6s

Crafted specifically for iPhone 6s, the Quattro Back features premium leather on the exterior for a refined finish that ages gracefully. It offers everyday protection against scratches and scuffs while adding a touch of luxury to your device.

Ultra-thin polycarbonate chassis wrapped in hand-finished soft leather

Beneath the leather lies an ultra-thin polycarbonate shell that adds structure without bulk. The soft leather is hand-finished for a smooth, comfortable grip and an upscale feel in the hand.

Luxury microfiber lining with a bespoke lightweight frame

Inside, a fine microfiber lining cushions the back of your iPhone to help prevent micro-scratches. The custom lightweight frame keeps the case featherlight while maintaining durability for daily use.

Precision fit with full access to all buttons, speakers, and ports

Designed to fit like a glove, the Quattro Back maintains effortless access to the Lightning port, speakers, camera, and all controls. Enjoy seamless operation without removing the case.

Elegant protection that preserves your iPhone's slim profile and good looks

Slim by design, this case safeguards your phone without hiding its sleek silhouette. It complements your style while keeping your iPhone looking as good as the day you got it.
