Just Mobile TENC Unique Self-Healing Case for iPhone SE - Precision Fit and Full Access

Protect your iPhone SE with a case that stays flawless. Just Mobile TENC uses smart, self-healing materials to automatically repair light scratches, delivering durable everyday protection in a slim, almost invisible matte finish that preserves the beauty of your phone.

- Self-healing smart materials repair light scratches within 15–20 minutes
- Precision fit hugs the iPhone SE's rounded edges
- Full access to all ports, buttons, and camera
- Slim, almost invisible design with a matte finish
- Durable protection without compromising your phone's design

Self-healing smart materials repair light scratches within 15–20 minutes
TENC's advanced surface automatically mends fine scratches in as little as 15–20 minutes, keeping your case looking fresh without polishing or maintenance. It's everyday resilience, built in.

Precision fit hugs the iPhone SE's rounded edges
Crafted to match the iPhone SE's contours, the case wraps securely around the rounded edges for a snug, protective fit that feels seamless in your hand and in your pocket.

Full access to all ports, buttons, and camera
Every cutout and contour is engineered for function. You can charge, take photos, adjust volume, and use all features without removing the case.

Slim, almost invisible design with a matte finish
Engineered to be nearly invisible, TENC adds protection without bulk. The matte finish reduces glare and fingerprints while maintaining the original look of your iPhone SE.

Durable protection without compromising your phone's design
Built for daily wear, TENC resists scuffs and bumps yet keeps your device's elegant design front and center, so you don't have to choose between style and safety.
