HD Clarity with 9H Hardness
Boasting an unbeatable 9H hardness rating, the Just Mobile Xkin™ 3D Tempered Glass for iPhone 11 is synonymous with invulnerability. It is engineered to withstand scratches and impact and maintains crystal-clear HD clarity, ensuring your screen is always easy to read and interact with.

Touch Sensitivity
Not only does it offer unyielding protection, but the Xkin™ 3D Tempered Glass also preserves your iPhone 11's touch response. With its durable yet silky smooth surface, each tap, swipe, and press is as intuitive and responsive as if there were nothing between your fingers and the screen.

Resistant to Fingerprints and Smudges
Maintain the pristine condition of your iPhone 11 screen with the oleophobic coating of the Xkin™ 3D Tempered Glass. This unique layer repels oil and water, reducing fingerprint and smudge marks and keeping your display spotless and your viewing experience uninterrupted.

Comfortable User Experience
Featuring rounded glass edges, the Xkin™ 3D Tempered Glass is crafted to provide maximum comfort during use. Its thoughtful design ensures a smooth, seamless interaction whenever you navigate your device’s features.

Full-Screen Coverage
The accurate full-screen coverage of the Xkin™ 3D Tempered Glass includes the iPhone 11’s curved screen, offering edge-to-edge protection. A precision laser cutout for sensors ensures that your device’s functionality is never compromised, ensuring that every aspect of the iPhone's design is accounted for.
