- 3 meters waterproof & Dustproof Protection
- Eco-Friendly Design - 70% Recycled
- Military-Grade Durability - MIL-SPEC 810H
- Wireless Charging Compatible

Waterproof & Dustproof Protection
The ElementProof Series boasts IP68 protection, ensuring your AirPods stay dry and clean in up to 3 meters of water. The innovative HYDROLOCK latch provides 360-degree protection against water, dirt, and debris, keeping your AirPods safe in any environment.

Eco-Friendly Design
Crafted with sustainability in mind, this case utilizes 70% recycled content. The dual-material construction features a rugged recycled polycarbonate exterior and a shock-absorbing elastomer interior, offering maximum protection without compromising on environmental responsibility.

Military-Grade Durability
MIL-SPEC 810H drop tested, the ElementProof Series is engineered to withstand accidental drops and impacts. The shock-absorbing design protects your AirPods from the rigors of daily use and extreme conditions.

Wireless Charging Compatible
Enjoy the convenience of Qi-wireless charging without removing the case. The ElementProof Series is designed to work seamlessly with wireless charging technologies, ensuring your AirPods are always ready for action.
