- Weather-resistant and waterproof
- Machined aluminum pin & tuck closure
- UV-resistant finish
- Compatible with all Apple Watch models (44-49mm)

Ultra-durable FKM material

Crafted from high-performance fluoroelastomer (FKM) material, the KeyBudz Journey strap is engineered to withstand extreme conditions. This ultra-tough material ensures your strap can handle anything from intense hikes to saltwater submersion without compromising on comfort or style.

Weather-resistant and waterproof

Don't let the elements hold you back. The KeyBudz Journey strap is 100% waterproof and weather-proof, making it the perfect companion for all your outdoor adventures. Whether you're conquering mountain trails or diving into ocean waves, your Apple Watch strap will keep up with your active lifestyle.

Machined aluminum pin & tuck closure

Security meets sleek design with our machined 6061 aerospace-grade aluminium pin & tuck closure. This innovative feature not only provides a secure fit but also offers a catch-free design, ensuring your strap stays in place during even the most demanding activities.

UV-resistant finish

The KeyBudz Journey strap is engineered to resist colour fading, even in the harshest outdoor environments. Exposure to intense UV rays, sweat, or rugged terrain won't diminish its vibrant Tidal Blue colour. Stand out in style while tackling your toughest challenges.

Compatible with all Apple Watch models (44-49mm)

Designed to fit seamlessly with both the Apple Watch and Apple Watch Ultra, the KeyBudz Journey strap is compatible across all Apple Watch devices from 44mm to 49mm. Stainless steel pins secure the strap to your watch, creating a perfect union of form and function.
