Customize your Environment

With the Lite Bulb Moments LED strip, you have the power to choose from 64 million colour combinations. Whether you want to create a soothing ambience or a festive vibe, setting the perfect mood is just a tap away.

Fully Programmable

The TUYA App gives you complete control over your LED strip. Adjust the brightness, change colours, set timers, or create unique light scenarios. The choices are limitless.

Music Sync

Turn your room into a live concert with the music sync feature. The LED strip has a built-in microphone that lets it flash and change colours in rhythm with your music, adding a fun touch to your gatherings or personal time.

Voice Control

The Lite Bulb Moments LED strip works seamlessly with Google Assistant and Alexa, allowing you to control your lights through simple voice commands. Turn your lights on and off or change colours without lifting a finger.

Pre-programmed Functions

If you prefer not to use the app, you can still enjoy a variety of lighting options. Choose from 20 pre-programmed functions at the power supply for effortless control over your lights.
