

Lite Bulb Moments Smart Corner Lamp - Black

Create the right atmosphere for your living room, gaming room, home bar or entertainment space with the Lite Bulb Moments smart corner lamp. With app control, voice control, music sync and more than 16 million color options, it gives you flexible lighting that is easy to adjust for everyday use, relaxation or social occasions.

- More than 16 million color combinations
- Full control through the TUYA app
- Music sync with built-in microphone
- Quick Wi-Fi connection
- Works with Google Assistant and Alexa

More than 16 million color combinations

Choose from a wide range of RGB colors to match the mood, room or occasion. The lamp can provide soft ambient lighting for a calm evening, colorful effects for gaming or entertainment, or brighter tones when you want to add energy to the room.

Full control through the TUYA app

Control the lamp directly from the TUYA app. Adjust brightness, change colors, set timers and create lighting scenarios that suit your routine. You can also pre-program up to 20 functions on the power supply button for quick access to your preferred settings.

Music sync with built-in microphone

The built-in microphone allows the lamp to react to music by changing color or flashing in rhythm with the sound. This makes it suitable for parties, gaming setups, home bars or any space where you want the lighting to follow the atmosphere.

Quick Wi-Fi connection

The smart corner lamp connects to your 2.4 GHz Wi-Fi network in just a few moments. The setup is straightforward, so you can start using the app features and smart controls without complicated installation.

Works with Google Assistant and Alexa

Control your lighting with voice commands through Google Assistant or Alexa. Turn the lamp on or off, adjust the atmosphere or manage multiple compatible lights together for easy control across your space.
