- 64 Million Color Combinations
- Fully Programmable via the TUYA App
- Music Synchronization with Built-in Microphone
- Compatible with Google and Alexa for Voice Control
- IP65 Waterproof Rating

64 Million Color Combinations

Unleash your creativity with 64 million color combinations to choose from. Each light source in the Smart Light Chain has the potential to illuminate your space in a unique color, setting the right mood for every event.

Fully Programmable via TUYA App

Take control of your lighting with the TUYA app, where you can adjust brightness, change colors, set timers, or even create personalized scenarios. If you prefer something quick and simple, choose from 20 pre-programmed functions at the touch of a button.

Music Synchronization with Built-in Microphone

Turn your space into a dynamic light show using the light chain's music synchronization feature. Thanks to the built-in microphone, your lights can flash or change colors to the beat of your favorite songs, adding rhythm and energy to your parties.

Compatible with Google and Alexa for Voice Control

Integrate your Smart Light Chain seamlessly with Google and Alexa for hands-free voice control. Group multiple light chains together and manage them all with a single command, providing you with effortless control over your lighting.

IP65 Waterproof Rating

Constructed with an IP65 waterproof rating, the Smart Light Chain is resistant to rain and snow, making it suitable for outdoor use. Hang it up in your backyard, around your parasol, or even in your apple tree for a magical outdoor ambiance.
