

## Lite Bulb Moments Smart Light Chain

Enhance your gatherings and create memorable experiences with the Lite Bulb Moments Smart Light Chain. This versatile, programmable light chain offers you 64 million color combinations, lending a unique and dynamic lighting atmosphere to both indoor and outdoor spaces. Designed with exceptional features like a built-in microphone, compatibility with Google and Alexa, and IP65 waterproof standards, this Smart Light Chain sets the standard for innovative, user-friendly lighting solutions.

- **Versatile Use:** For both indoor and outdoor settings
- **64 Million Color Combinations:** Personalize to your mood or event
- **Built-in Microphone:** Syncs light changes with music rhythm
- **Compatibility:** Works with Google and Alexa for voice-activated controls
- **Waterproof:** Meets IP65 standards for enhanced durability

### Versatile Use

Whether it's a summer party, a Christmas gathering, or just a cozy evening with loved ones, the Smart Light Chain is designed for versatile use. Be it an outdoor parasol, an indoor Christmas tree or around the pictures in your home - the 14-meter length of the Smart Light Chain can be customized to enhance any space.

### 64 Million Color Combinations

Get creative with lighting like never before. With the ability to choose from 64 million color combinations, you can create the perfect ambiance for every occasion. Use the TUYA app to customize the color, brightness, and even set timers for an automated lighting experience.

### Built-in Microphone

Bring your parties to life with the built-in microphone feature. This allows the light chain to flash or change colors in sync with the music, creating an immersive, rhythmic lighting experience that will surely leave your guests amazed.

### Compatibility

Upgrade your lighting system with Smart Light Chain's compatibility with Google and Alexa. Now, you can control the brightness, change colors, and create customized lighting scenarios with simple voice-activated commands, making it a truly smart and convenient choice for modern homes. Works also with the TUYA App.

### Waterproof

Designed to withstand rain or snow, the Smart Light Chain is rated IP65 waterproof. This assures that your light displays are protected from the elements, ensuring durability and reliability. However, it's recommended to refrain from submerging the light chain underwater for prolonged periods.
