Lite bulb moments White Ambience E27 Filament Bulb - 3-Pack

Bring flexible, intelligent lighting into your home with Lite Bulb Moments White Ambience E27 smart filament bulbs. This 3-pack combines the classic look of filament bulbs with app control, voice control, adjustable white tones and full RGB colour, so you can create the right light for everyday routines, relaxing evenings and focused moments.

- Dimmable smart lighting with 16 million RGB colours
- Natural daylight rhythm with adjustable white tones
- Voice control with Google Assistant and Amazon Alexa
- App control with geofence, routines and scenes
- Long-lasting, recyclable design with efficient LED technology

Dimmable smart lighting with 16 million RGB colours
Adjust the brightness and colour directly from the app to suit the room, time of day or activity. With a full RGB colour scale and more than 16 million colours, the bulbs give you the flexibility to create anything from warm, calm lighting to more vivid accent lighting.

Natural daylight rhythm with adjustable white tones
The bulbs support circadian lighting and a colour temperature range from 2700 K to 6500 K. This allows you to move from warm white light in the evening to cooler, clearer light during the day, helping your home lighting feel more natural and comfortable.

Voice control with Google Assistant and Amazon Alexa
Connect the bulbs to Google Assistant or Amazon Alexa for convenient voice control. Turn lights on or off, adjust brightness or change the atmosphere without reaching for your phone.

App control with geofence, routines and scenes
Use the TUYA app to set up routines, scenes and geofence-based automations. You can schedule lights to match your day, create preset moods for different rooms, or have lights turn on when you approach home and turn off when you leave.

Long-lasting, recyclable design with efficient LED technology
Lite Bulb Moments bulbs are designed for long service life and efficient everyday use. Each bulb has a lifetime of 15,000 hours, is mercury free, flicker free and made with recyclable materials, with FSC-approved packaging supporting a more responsible product choice.

Package includes

- 3 Lite Bulb Moments White Ambience E27 smart filament bulbs
- User Manual

Product specifications

- Brand: Lite Bulb Moments
- Product type: Smart LED filament bulb
