Encased in a chic aluminium enclosure, this compact device upgrades your audio clarity and facilitates effortless device charging.

- Built-in 3.5mm audio jack port.
- It is integrated with USB-C PD 3.0 charging.
- Durable braided cable construction.
- Compatible with numerous USB-C devices.
- Sleek aluminium design.

#### Integrated 3.5mm Audio Jack Port

Equipped with an exceptional 3.5mm audio jack, this device supports effortless audio control, perfect for streaming playlists or managing calls on the move. The adapter offers upgraded 24-bit audio quality, rejuvenating the digital audio support for Type-C devices without a headphone jack.

#### Inbuilt USB-C PD 3.0 Charging

The Satechi Audio Adapter features cutting-edge USB-C PD 3.0 charging capable of delivering up to 30W, ensuring your device stays powered even while you're engrossed in your favourite TV shows or podcasts. We recommend pairing the device with an 18W or higher power adapter (sold separately) to enjoy optimal charging.

#### Durable Braided Cable Design

Crafted with a robust, resilient braided cable, the USB-C PD Audio Adapter promotes longevity, ensuring you enjoy superior sound and fast charging experience for an extended period.

#### Broad Device Compatibility

Embrace unmatched versatility as this compact device supports most USB-C tablets and smartphones. Whether you have a Microsoft Surface Go, Google Pixel, or the 2020 iPad Air, with this device at your disposal, top-tier audio quality and consistent charging are just a connection away.

#### Sleek Aluminum Design

Reflecting on aesthetics as much as on performance, this audio adapter boasts a sleek aluminium design, exuding elegance and modernity. Not only is it visually striking, but it's also lightweight and compact, guaranteeing seamless portability.
