ALOGIC Elements PRO USB-C to USB-C Cable - Black

Enhance your charging experience with the ALOGIC Elements PRO USB-C to USB-C Cable—a premium, high-capacity charging solution built to facilitate fast charging and seamless data transfer. This cable promises durability and compatibility, making it a perfect addition to your tech collection.

- High-speed charging and data transfer
- Durable and refined design
- Compatible with USB-C devices
- Enhanced strain relief
- Refined craftsmanship

High-Speed Charging and Data Transfer
Unleash your devices' full potential with the ALOGIC Elements PRO cable. It provides a formidable 5A current for rapid charging of smartphones, tablets, laptops, and other USB-C accessories. Experience sync speeds up to 480Mbps, allowing you to transfer your precious photos, videos, and files with ease and efficiency.

Durable and Refined Design
Crafted from the finest materials, the ALOGIC Elements PRO USB-C cable balances functionality with style. Its sophisticated construction ensures that it can withstand the rigors of daily use while maintaining a refined aesthetic that will complement any space.

Compatible with USB-C devices
The ALOGIC Elements PRO cable is universally compatible with all your USB-C-enabled devices. Connect confidently, knowing that this versatile cable facilitates a reliable and robust connection between your varied technological equipment.

Enhanced Strain Relief
You can depend on the ALOGIC Elements PRO Cable when it counts the most. Flexible fabric braiding and thermoplastic (TPE) housing offer superior strain relief, significantly extending the cable's lifespan through countless bends and twists.

Refined Craftsmanship
ALOGIC's commitment to excellence is evident in the meticulous attention to detail and high-quality materials used in the Elements PRO range. This USB-C cable showcases a blend of durability and elegance with a lightweight yet sturdy design that signifies both performance and sophistication.
