

ALOGIC Fusion Pro GO 7-in-1 USB-C Compact Docking Station - White

Upgrade your connectivity and productivity with the ALOGIC Fusion Pro GO 7-in-1 USB-C Compact Docking Station. Tailored for the modern professional and traveler, this compact and stylish docking station ensures seamless device integration while offering robust power delivery and 4K video support.

- Effortless Connectivity
- 4K Video Support
- Compact & Innovative Design
- Power & Versatility
- Versatile Device Compatibility

Effortless Connectivity

Maximize your productivity with the Fusion Pro GO Dock. Easily connect your laptop to multiple peripherals, enhancing your workspace with a variety of essential ports. Seamlessly integrate your devices for a smooth and efficient working environment.

4K Video Support

Experience stunning, vibrant visuals by connecting your laptop to a 4K-capable monitor. The docking station enhances your work and entertainment with sharp image clarity, allowing for an immersive viewing experience that boosts focus and creativity.

Compact & Innovative Design

Designed for the dynamic lifestyle of modern professionals, the Fusion Pro GO Dock is both sturdy and elegant. Made with Aluminium and ABS, its compact form is perfect for portability, fitting effortlessly into any workspace and enduring the rigors of frequent travel.

Power & Versatility

With its USB-C Power Delivery passthrough, the Fusion Pro GO Dock ensures your devices are charged and ready. Supporting up to 100W, this dock powers your laptop while facilitating seamless connectivity with multiple peripherals. Enhance your multitasking potential without the worry of battery drain.

Versatile Device Compatibility

The Fusion Pro GO Dock is compatible with Windows, MacOS, and Chrome OS, ensuring smooth functionality across various platforms. Whether you're a student, educator, or professional, enjoy a seamless transition and reliable performance across all your devices.
