The ALOGIC Rapid Power 30W GaN Charger is the epitome of charging efficiency. Small yet powerful, this charger packs the latest technology to deliver a fast charge to your devices, whether a smartphone or a MacBook Air. Ideal for the tech-savvy individual on the go, it ensures your devices are powered up quickly and safely without taking up unnecessary space.

- Compact and Portable Design
- High Power 30W USB-C Output
- Advanced GaN Technology
- Universal USB-C Compatibility
- Comprehensive Safety Features

Compact and Portable Design

Experience the ultimate convenience with the ALOGIC Rapid Power Charger's tiny size, thanks to cutting-edge GaN technology. It's 50% smaller than traditional chargers; this highly portable charger fits effortlessly in tight spaces at home or tucks into your laptop bag or backpack when you're on the move, ensuring you always have power where and when you need it.

High Power 30W USB-C Output

Don't let the compact size fool you – this charger packs a serious punch with a 30W power delivery via a USB-C output. It's perfectly capable of quickly charging your smartphones, iPads, and even devices as demanding as the MacBook Air, keeping you connected and productive throughout the day.

Advanced GaN Technology

This charger operates more efficiently than those with traditional silicon components. It utilizes gallium nitride (GaN) technology, which allows for higher power and faster charging in a much smaller package, letting you power up your devices rapidly without the bulk.

Universal USB-C Compatibility

The ALOGIC Rapid Power Charger is designed to be universally compatible with USB-C devices. Whether it's an Apple iPhone, iPad, MacBook Air, Android devices, or ultraportable notebooks and Chromebooks, this charger is equipped to provide the necessary power up to 30W, provided you have the appropriate charging cable.

Comprehensive Safety Features

Safety is paramount, and the ALOGIC Rapid Power Charger is engineered with multiple protections to ensure the safety of your devices. It includes over-current, over-voltage, short circuit, and temperature protections, meeting and exceeding regulatory standards to provide a reliable and secure charging experience.

Package includes

- 1x ALOGIC Rapid Power 30W GaN Charger - Space Grey

Product specifications

- Colour: Space Grey
- Product Dimensions: 30(L) x 30(W) x 30(H) mm excluding plug
- Weight: 40g
- Input: AC 100-240V ~50/60Hz, 0.6A
- Output: 1x USB-C (female) charging port, 5-20V DC charging output at up to 30W
- Suitable for use with devices requiring up to 30W of power, including - Apple iPhone - Apple iPad and iPad Pro - Android phones and tablets - Apple MacBook Air - Ultraportable notebooks and Chromebooks that can operate from 30W power supplies.
- Warranty: 2-year warranty
