

Introducing the ALOGIC USB-C Wall Charger 60W - a travel companion that boosts your USB-C-enabled devices, including laptops, tablets, and mobile phones. This versatile charger has power plugs for advanced utility in Australia, the US, the UK, and Europe. It has automatic voltage selection, a Power Delivery capability, and a USB-C to USB-C cable for a seamless charging experience.

- USB-C Technology with Power Delivery
- Multi-Country Plugs
- Single Charger for Multiple Devices
- 60W Maximum Output Power
- Practical and Versatile

USB-C Technology with Power Delivery

USB-C technology revolutionizes the charging experience by allowing for automatic voltage selection. This helps cater to each device's specific needs, protecting your gadgets while ensuring efficiency. Power Delivery further amplifies the charger's capability, enhancing the charging speed and saving you valuable time.

Multi-Country Plugs

Make the ALOGIC USB-C Wall Charger your perfect travel companion. With plugs catering to the power points of Australia, the US, the UK, and Europe, this charger proves highly functional, keeping all your electronics powered up no matter where you are.

Single Charger for Multiple Devices

The versatility of the ALOGIC USB-C Wall Charger allows it to support a range of USB-C-enabled devices. It can charge laptops, tablets, and mobile phones efficiently, making it a one-stop solution for your charging needs.

60W Maximum Output Power

With a high output power of 60W, the ALOGIC USB-C Wall Charger delivers a fast and powerful charge to your gadgets. The included USB-C to USB-C cable ensures rapid charging, keeping your devices ready at all times.

Practical and Versatile

Its compact design makes the ALOGIC USB-C Wall Charger highly practical. Whether home or away, this charger ensures your devices are always filled with power. The combination of functionality and convenience makes it a reliable charging partner.
