Baseus Wing Case for Samsung S9/S9+ - Black

Baseus Wing Case for Samsung Galaxy S9/S9+ – ultra-thin PP case with a matte, fingerprint-resistant finish
Keep your Samsung Galaxy S9 or S9+ slim and comfortable to hold with the Baseus Wing Case. Its lightweight polypropylene construction adds minimal bulk, while the matte finish resists fingerprints and raised camera edges help protect the lens.

- Ultra-thin profile
- Lightweight construction
- Smooth, comfortable grip
- Matte, fingerprint-resistant finish
- Protective coverage with raised camera edges

Ultra-thin profile
At approximately 0.45 mm thick, the Wing Case follows your phone’s shape without adding unnecessary bulk. It keeps the slim feel of your Galaxy S9 or S9+.

Lightweight construction
Weighing approximately 4 g, the case adds very little weight to your phone. It is a practical choice if you prefer a case that feels barely there.

Smooth, comfortable grip
Made from high-quality polypropylene, the case feels smooth and comfortable in your hand. The flexible material helps it maintain its shape while fitting around your phone.

- Matte, fingerprint-resistant finish
- The matte surface helps reduce visible fingerprints, keeping your case looking cleaner during everyday use.

Protective coverage with raised camera edges
The case covers your phone while keeping its profile slim. A raised edge around the camera extends approximately 0.5 mm to help keep the lens from making direct contact with flat surfaces.
