

Baseus Wing Case for the iPhone XS Max - Black

Key features:

- Ultra-thin and super-light accessory
- Semi-transparent matte texture
- Rough surface leaves no fingerprints
- High-quality polypropylene does not turn yellow with age
- Excellent protection against moisture, dust and mechanical damage

Baseus Wing Case for the iPhone XS Max is made in an ultra-thin translucent material and design. It will perfectly protect your phone from damage and be stylish at the same time. The case is ultra thin that it's almost invisible when placed on the phone. It ideally repeats the contours of the phone, while leaving all interfaces and controls freely accessible.

Materials and Design

Baseus Wing Case is made of very flexible and wear-resistant polypropylene. It has a translucent matt texture, which is nice to touch. The surface of the case will not turn yellow with time, and also does not leave any fingerprints on it. Its very light and thin, and will provide the extra protection for your iPhone XS Max.

Reliable protection

The ultra-thin Baseus Wing Case provides full protection for the iPhone XS Max smartphone from abrasions, chips, scratches, dust, and dirt, and other mechanical damages. The case is also reinforced corners and a specially elevated profile in the camera area.
