Pela Clear case for Phone 12/12 Pro - Lavender

Pela Lavender Biodegradable mobile shell protection is a premium phone case designed to protect your device with a lighter footprint. Made from plant-based materials, it delivers dependable everyday protection while supporting a waste-free future.

- 100% compostable, plant-based materials
- Durable protection with a comfortable grip
- Designed to help protect oceans and reduce plastic waste
- Screen Protection Guarantee when paired with Pela Liquid Screen Protector
- Precision fit with wrap-around edges and accurate cutouts

100% compostable, plant-based materials
This case is made from a compostable bio-polymer and plant fibers, using flax shive as part of the base material. Unlike conventional plastics that can persist for centuries, Pela materials are designed to return to the earth through composting, helping you reduce long-term waste without compromising on everyday usability.

Durable protection with a comfortable grip
The case is engineered to handle daily drops, bumps, and scratches. It combines a rigid back with impact-absorbent edges for reliable protection, while maintaining a smooth feel with a subtle grip for secure handling.

Designed to help protect oceans and reduce plastic waste
Pela donates a percentage of every sale to ocean cleanup and preservation initiatives. Choosing Pela supports efforts focused on reducing plastic pollution and protecting marine environments.

Screen Protection Guarantee when paired with Pela Liquid Screen Protector
For added peace of mind, Pela offers a Screen Protection Guarantee: if your screen cracks while using your Pela Case (excluding Slim) together with the Pela Liquid Screen Protector, Pela will cover repair costs. The guarantee applies only when both products are used together.

Precision fit with wrap-around edges and accurate cutouts
Meticulous design details help keep your phone protected without adding unnecessary bulk. The case features carefully designed wrap-around edges to help protect the front of your device, along with precision cutouts around speakers, charging port, and buttons for a clean fit and easy access.

Package includes

- 1 x Pela Biodegradable mobile shell protection - Lavender
