

Just Mobile TENC Silicone Case with MagSafe for iPhone 14 Pro - Navy blue

Keep your iPhone 14 Pro protected and looking sharp with a slim, grip-friendly case that doesn't compromise on feel or function. TENC technology, a four-layer build, and MagSafe compatibility deliver everyday confidence with effortless style.

- TENC technology that protects for real
- Four-layer protection with soft microfiber and dual silicone
- Slim, grip-friendly design
- MagSafe and wireless charging compatible
- Raised edges and precise button covers

TENC technology that protects for real

Built on Just Mobile's proven TENC approach, this case is designed to safeguard your iPhone in real life, every day. It combines smart materials and thoughtful detailing to absorb shocks, resist wear, and keep your device looking great without bulk.

Four-layer protection with soft microfiber and dual silicone

Inside, a soft microfiber lining cushions your phone and prevents micro-scratches. A protective hard PCP layer adds structure, while a super-soft silicone layer hugs your device. The outer, firmer silicone shell delivers extra grip and durability for all-around defense.

Slim, grip-friendly design

Enjoy pocket-ready minimalism with a secure, non-slip feel. The case adds protection without adding heft, so your iPhone stays comfortable to hold and easy to carry.

MagSafe and wireless charging compatible

Snap on MagSafe chargers and accessories with confidence. The case is fully compatible with MagSafe and supports other Qi wireless charging, so you can power up and accessorize without taking it off.

Raised edges and precise button covers

A 1 mm raised lip wraps the screen and camera for extra peace of mind on flat surfaces. Covered buttons feature deep cutouts to preserve the original click feel, while precise openings keep ports and speakers clear.

Package includes

- Just Mobile TENC Silicone Case with MagSafe for iPhone 14 Pro
